

You're my
favorite
beach day

Meet me by
the waves (aka
the couch)

I'd share my
boardwalk fries
with you

Gulliver
approves this
romance

One kiss
equals one
beach tag

You found me...
now come claim
your prize

Sun,
sand, &
YOU.

You're sweeter
than shore
ice cream

Our
love is a
shell-abration

You're the
soundtrack to
my summer

Redeem for
a night out on
the town

Redeem for
a candybar or
a kiss

Redeem for
one night of
nothing

You're like
surfing the
big waves

Meet me
under the
boardwalk
